Full Description

Designed for strength and durability, the FriFri 22kW Super Easy 411 Built-in Fryer offers high output from minimal floor space and is perfect for busy kitchens. The fryer comes with the outstanding quality and performance that customers have come to expect from the FriFri brand for over 70 years. Its high power elements reduce the heat up and recovery time of the oil, increasing the output of food, while the fryer also has a low watts density with a large surface area in contact with the oil, which ensures fast recovery time and the prevention of scorching which degrades oil. It is also available with integral gravity filtration, which extends oil life by up to 75%, saving you money on oil purchase and disposal costs.
