- Starch removal keeps water fresh for longer to ensure perfect results
- Two tilt position elements to aid draining and cleaning

## Full Description

The FriFri Super Easy 311 Free Standing Pasta Boiler is made for high output. You'll be able to cook perfect pasta even during peak periods, while optional smaller baskets enable smaller portions to be cooked in constant rotation. The Pasta Boiler is also plumbed to fresh water supply to enable quick, easy filling and drainage of the tank. It's made with the the quality and care that customers have come to expect from the FriFri brand for over 70 years. Built to last, the 311 thrives in even the harshest of conditions, with its grade 316 stainless steel design offering superior resistance to punishing salt and starch corrosion.
