Description

Full Description

Fry perfectly crisp and fluffy chips every single time with the Silverlink 600 Electric Counter Top Fryer. Delivering 12kg of chips per hour, it's ideal for cafes, pubs and restaurants. The fryer is designed to plug in and play so you'll be serving perfect chips in no time at all. The fryer comes with an innovative deep cool zone, which collects cooking debris to prolong the life of the oil and therefore save you money. Sturdy stainless steel means it's built to last, hinged elements give easy access during cleaning, and you're in control via the accurate thermostat throughout the entire cooking process.

- Delivering 12kg of chips per hour, perfect for cafes, pubs and restaurants
- Front mounted controls for safety
- Hinged elements to give easy access during cleaning
- Cool zone collects cooking debris - gives cleaner cooking results and saves money by prolonging the life of the oil
- Thermostatically controlled to give accurate cooking temperatures throughout cooking. Fail-safe top temperature cut out ensures safe operation.
- Fully moulded 304 stainless steel tank and heavy duty nickel plated baskets for the most demanding of operations
- Front drain off tap for easy removal of cooking oil
- Plug and play for an easy installation
