Description

- Single tank fryer with three baskets giving you the flexibility to cook different foods or loads

simultaneously, delivering 26kg of chips per hour

- Front mounted controls for safety
- Hinged elements to give easy access during cleaning
- Cool zone collects cooking debris - gives cleaner cooking results and saves money by prolonging the life of the oil
- Thermostatically controlled to give accurate cooking temperatures throughout cooking. Fail-safe top temperature cut out ensures safe operation.
- Fully moulded 304 stainless steel tank and heavy duty nickel plated baskets for the most demanding of operations
- Front drain off tap for easy removal of cooking oil

Full Description

Fry perfectly crispy and fluffy chips every time with the Silverlink 600 Electric Single Tank Counter Top Fryer. Ideal for mobile operations and a range of venues such as cafes, pubs and restaurants, the fryer comes with three baskets for greater versatility, combined with a power that can deliver 26kg of chips per hour. Sturdy stainless steel means it's built to last, hinged elements give easy access during cleaning, and you're in control via the accurate thermostat throughout the cooking process. Then there's the innovative deep cool zone, which collects cooking debris to prolong the life of the oil and therefore save you money.
