- Adjustable timer ensures accurate, repeatable peeling times.
- Modular construction facilitates easy maintenance.
- Thicker peeling plate delivers longer operating life.
- Suitable for medium to large kitchens with single-phase power supply.

## Full Description

The versatile, energy-efficient MF15L (1PH) is the ideal peeler for medium to large kitchens with a single-phase power supply.

With a carborundum liner and thick peeling plate for long operating life, the MF15L (1PH) is able to peel up to 500.8kg of vegetables per hour in 15kg batches making it a cost-effective and labour-saving solution.

Easy to operate, the unit comes with an integral stand and removable filter basket. It has an interlocking lid and door for user safety. The MF15L (1PH) has a perspex viewing pane to monitor progress, and an adjustable timer for accurate, repeatable peeling times.

The MF15L (1PH)'s modular construction, with flexible waste pipes and water inlets, allows simple installation and maintenance, whilst its latched lid ensures a water-tight seal.
