- CombiSlim ovens are ideal for small-scale food production in take-away shops, cafés, etc
- Intuitive touch display SmartTouch® for programming
- 1/1GN compatible
- Steam injection, with CombiSmart® humidity control

- Ability to create cooking programmes with up to 15 steps
- Rack timer allowing accurate cooking times for different items on different shelves
- Two-step safety handle

Full Description

Invest in a combi oven without the cost and installation of a commercial hood system, with the Hoodini Ventless Hood – no ducted extraction required! Size matters in small kitchens. That's why our CombiSlim ovens only measure 51.4 cm in width. These combi ovens are ideal for small-scale kitchens or for satellite kitchens.
