## Full Description

The 3kW Lynx 400 Large Single Tank Electric Counter Top Fryer might be small, but it's sturdy too. Built to last, the fryer is designed to plug in and play, which means that you'll be producing perfect fried chips in no time at all. Its large single tank is ideal for free frying battered or breaded products - especially fish. Making maximum use of minimum space, the fryer is thermostatically controlled to give better and more consistent cooking results. Stainless steel tanks and nickel plated baskets make for easy cleaning, while the safety thermostat prevents overheating for added safety. Whether you're cooking in a bar, a cafe or a pub, the Lynx 400 Electric Counter Top Fryer will not let you down.
