Full Description

The first thing that strikes you about this Opus 800 dual fuel oven is its power. It benefits from the best of both the focused, instant heat from the mighty dual concentric gas burners, and the even cooking of the electric oven. Built to withstand the rigours of even the busiest kitchen, the large 6 x GN1/1 capacity oven is up to the task of delivering high volumes of top quality food, and even enables six different foods to be cooked simultaneously. So whether you're cooking in a restaurant, a large pub, or a school canteen, the dual fuel oven has you covered. Strong and sturdy and built to last, the oven also comes with individual heavy-duty single cast iron supports.
