- Front drain taps with straight drain pipes for fast, easy drainage of water - and no blockages
- Lid to reduce heat up time and also cover tanks when not in use
- Convenient twin electrical cables on PB66 twin tank model allow you to plug in to standard 13 amp sockets

Full Description

Not only does the Silverlink 600 Electric Pasta Boiler deliver perfect pasta every time, it also has the versatility to be used as a steamer and Bain Marie, too. This twin tank model boasts convenient twin electrical cables which allow you to plug in to two standard 13 amp sockets. The boiler comes with a lid to reduce heat up time and also cover the tanks when not in use, while the thermostatic control maintains an accurate water temperature throughout. Ideal for cafes as well as smaller pubs and restaurants, the boiler also features enhanced resistance to punishing salt and starch corrosion with high quality grade 304 stainless steel tanks, basket support plates, and corrosion-resistant elements.
