### Description

Our most popular glass door fridge, and probably the best selling unit in the UK. Tried and tested Tefcold quality at an excellent price. This cabinet is renowned for its reliability, simple design with aluminium door frame, interior light, lock and temperature display. It is everything you need from a glass door merchandiser including five shelves as standard to maximise display space. A tried and tested workhorse for all shops and cafés. This model is so popular we even stock it as a left-hand hinge version as standard in addition to the more usual right-hand hinge version.
