Single door bottle cooler: Tefcold NC Range

Description

The TEFCOLD NC range of coolers focus on large display capacity, great interior lighting (2 vertical LED light strips per door) combined with cooling power and energy efficiency. Solid construction combined with a carefully designed cooling system make this a product that is designed to last. Available in single, double and triple door options to enable you to mix and match to suit your requirements. They are also available as matching freezers (NF Range)
