### Description

We recommend the following as an alternative. [Masterfrost C250FA Professional Ice Maker. 28kg/24hrs](#)

The Whirlpool K20 is an ice machine that produces 24 KG per 24 hours and has a storage capacity of 10 KG. Finished in stainless steel with a built-in air-cooled system for trouble free operation.

With a large storage bin and adjustable feet, this unit is easy to move and clean, ideal for any environment where ice is a constant requirement and space is at a premium.
